

CANADIAN COLLEGE

International Trade Diploma & Co-op

Canadian College has partnered with FITT to offer this diploma program. FITT (Forum for International Trade Training) is an international trade training and professional certification body. As the only organization of its kind in the world, FITT sets the standards and designs the training programs leading to the Certified International Trade Professional (CITP) designation. FITT's quality training programs impart knowledge and practical skills that provide a competitive advantage to trade practitioners while elevating their position in world markets. The combination of Canadian College and FITT training will prepare students for assistant manager positions in Customer Service, Sales or Marketing and Trade departments.
